

W153.90 RPET Cooler Bag

Wow! A beautifully designed cooler, made from 100% recycled PET. The inside of the bag is lined with aluminium foil. This insulating combination of air and aluminium keeps the contents of the bag cool for no less than 10 hours, with the help of a cooling element. The cooler bag has a handy zipper, two sturdy handles and an adjustable shoulder strap. On the outside of the cooler bag, there's an extra storage compartment with zipper, useful for your phone, wallet or anything else that doesn't need to be kept cool.
